# MDC

Mazhuvenchery Speciality Dental Clinic was established in the year 2001 by Dr. Jijo Paul with a noble vision to provide treatment at par with international standards at an affordable cost for our society. The clinic uses state of the art technology, equipped with 6 dental chair units, minor operation theatre and emergency cart, World Class OPG X-Ray Facility, Medit 1700 Intra Oral Digital Scanner, Centralized Sterilization Unit, an Aesthetically designed Patient Observation Room, Knowledge Hub – Conference and Training center. April 2021, MDC was accredited by NABH from Quality Council of India and ISQua (International Society for Quality in Health Care). patient care, sterilization standards and waste management were some of the most important criteria for this certification. MDC is the first dental clinic in Kerala and fifth in India with NABH Accreditation 3rd Edition (D-2021-1032). 2024
