## Prof. Dr. Jijo Paul MDS

Maxillo-facial Prosthodontist & Implantologist.  
Founder & Managing Director, MDC

Dr. Jijo Paul received his B.D.S and M.D.S degree from Dr. MGR Medical University, Chennai, and he was awarded a fellowship in implantology (FIDEA) from MAHER Deemed University, He is also certified in Advanced Education in implant dentistry from the Harvard school of Dental Medicine, Boston. He has been an active researcher and presented a number of scientific papers in national and international conferences. A learned speaker, he is well known for his dexterity.

He was awarded the Dr. Barucha Award in 1999 and the Dr. F.D. Mirza award in 1998 at the National levels for the best scientific papers in IDA and IPS national conferences, respectively. He also had the privilege to represent

India as a “Young prosthodontist award nominee” for the 8th biennial conference of the international college of prosthodontics (ICP) in Stockholm, Sweden and attended the Asia Pacific Dental Conference, Singapore.

He served as the consultant maxillo-facial prosthodontist in the department of head and neck surgery at AIMS (Amrita Institute of Medical Sciences), Kochi and the professor of prosthodontics and implantology in MES Dental College, Perinthalmanna. He is a former professional consultant for Zhermack-Italy.

Dr. Jijo Paul holds the Universal Record Forum’s World Record (URF) for successful dental implantation in the oldest patient alive (94 years old) on 18th Jan 2013.

Presently, he serves as the doctor for emergency services at Cochin International Airport (CIAL) and doctor on panel for Air India.

He is an associate consultant at Aster Medcity, Cochin.

Mazhuvenchery Speciality Dental Clinic was established in the year 2001 by Dr. Jijo Paul with a noble vision to provide treatment at par with international standards at an affordable cost for our society using State of the Art Technologies. MDC is located approx. 200 mts from the Aluva Metro Station and National Highway, 2kms from Alwaye Railway Station and 8 kms from the Cochin International Airport. MDC has three functional floors. The clinic uses state of the art technology, equipped with 6 dental chair units, minor operating theatre equipped with medical oxygen and emergency cart, World Class DPG X-Ray Facility, Medit i700 Intra Oral Digital Scanner, Centralized Sterilization Unit, an Aesthetically

designed Patient Observation Room and Knowledge Hub - Conference and Training center.

April 2021, MDC was accredited by NABH from Quality Council of India and ISQua (International Society for Quality in Health Care). State of the art treatment technologies, patient care, sterilization standards and waste management were some of the most important criteria for this certification. We are the third dental clinics in Kerala with NABH accreditation. We feel privileged to be able to bring this Internationally accredited treatment facility for the first time in Central Kerala.

## A smile can Achieve wonders

At MDC, we believe a smile reveals your vision of life and reflects your mind. Our sincere wish is for your beauty to never go unnoticed.

## Care & Comfort

Care and comfort go together at MDC. Elegantly designed with soothing interiors, MDC exudes the warmest air of comfort. To provide world class dental care, one needs world class facilities. The clinic is equipped with the most sophisticated, state-of-the-art equipment for all advanced dental speciality treatments. We scrupulously maintain top hygienic standards.

## Caring all the way

Delivering top quality, personalized care is the philosophy and practice of MDC since its inauguration in 2001. Here one can avail the services of a team of highly proficient medical specialists and technicians working in tandem to ensure optimum care and comfort for you. Information about our dental care services is also available online.

## Your happiness is our wish

One's learning never ends. That is why we always keep abreast of what is new in modern dental care. We achieve professional excellence by constantly upgrading our knowledge on all levels and putting it into earnest practice. We have renovated our three-storey building with an exemplary infrastructure, enabling us to provide the highest quality of care for both local patients and those who come from around the globe. We welcome international visitors with open arms and hospitality. We provide complimentary airport pick-ups and drop-offs as well as a guest house facility near our new branch at Airport Junction, Athani. Patient satisfaction is our first priority.
